**KROWN** Ogee  
*range*

**Rainwater System**

- Attractive Krown Ogee profile
- High flow capacity
- High quality finish
- No need for left or right hand stop ends
- No need for internal or external angles

\* To indicate the product colour(s) required, the following code suffixes should be used:  
BL - Black, BR - Brown, W - White, LO - Light Oak

*Krown is the latest addition to the Kalsi Plastics Rainwater Systems family with a distinctive shaped and stepped gutter profile. A versatile, high capacity system, it is ideal for all modern, period and architecturally-styled properties. Simple to install, it has convenient fixing wings for secure fastening to fascias. The system can be used with a choice of downpipes.*
